1. Please replace the fifth sentence of paragraph 13 with the following:

“With respect to obstacles to consumption, Members took note of concerns expressed about the tariffs on Brazilian soluble coffee, particularly those applied by the EU, which resulted in difficulties for the soluble coffee industry in Brazil, despite the importance of added value. The EU stated that this issue had been subject of bilateral contacts between the EU and Brazil. Furthermore, it was informed that applied duties did not exceed the level of the EU bound duties at the WTO.”
