

Aid for Trade and Support to the Coffee Industry

Simon Padilla
STDF Secretariat

OECD CRS database on AfT

- In the period 2006-2016
- Lists over 500 projects tagged with “coffee”
- In 60 developing countries
- Disbursements = US\$ **410** million
- Commitments= US\$ 473 million
- 0.14% of all AfT (approx. 300 billion)

AfT Disbursements to the Coffee Industry

(Figures are in US\$ thousands, 2016 constant)

Top 10 AfT country recipients (coffee industry)

#	Country	Amount disb. (Figures are in US\$ million 2016 constant)
1	Ethiopia	75.5
2	Uganda	72.5
3	Burundi	54.7
4	Peru	21.1
5	Colombia	20.1
6	Timor-Leste	19.8
7	Liberia	17.2
8	Guatemala	17.0
9	Tanzania	16.3
10	Honduras	11.1

Top 10 Donors of AfT to the coffee Industry

#	Donor	Amount disb. (Figures are in US\$ million 2016 constant)
1	United States	182.9
2	World Bank Group	54.8
3	EU Institutions	41.1
4	Germany	31.0
5	Canada	28.7
6	Norway	16.2
7	laDB	9.8
8	New Zealand	8.1
9	Italy	6.1
10	The Netherlands	5.7

Regional projects

- The database lists 59 regional projects in all regions of the world
- E.g.
- US\$ 6.8 M project by Canada in Africa to improve the livelihoods of small scale farmers
- US\$ 3.9 M project by Norway to develop standards and compliance capabilities in Asia
- US\$ 150 000 project by IDB to promote water management to ensure sustainability in coffee production (El Salvador, Honduras, Nicaragua)

AfT to the Coffee Industry top projects

#	Donor	Amount (US\$ M)	Location	Description
1	US	53.6	Colombia, Ethiopia, Philippines	Agri-business and Market Development Project (AMDe) .

Standards and Trade
Development Facility

STDF: Implementing international standards to facilitate safe trade

Vision

Sustainable economic
growth, poverty reduction,
food security and
environmental protection in
developing countries

Goal

Increased capacity of
developing countries to
implement international SPS
standards and gain and
maintain market access

Food and Agriculture
Organization of the
United Nations

WORLD BANK GROUP

World Health
Organization

WORLD ORGANISATION FOR ANIMAL HEALTH
Protecting animals, preserving our future

WORLD TRADE
ORGANIZATION

Standards and Trade
Development Facility

**Global coordination platform,
knowledge hub and network for
SPS capacity building**

**Funds for innovative, cross-
cutting SPS projects and
project development**

**DRIVING SAFE TRADE
SOLUTIONS WORLDWIDE**

Supporting farmers, processors and traders
in developing countries to access global markets

Project Preparation Grants

Seed funding (up to \$50,000)

- Develop SPS capacity building projects
- Apply capacity evaluation / prioritization tools
- Assess feasibility before project development

Value of PPGs to promote synergies with other initiatives and mobilize resources

“After joining this project I am getting profits every year. I don’t have to wait for long to sell out at the market because my shrimps are bigger and look healthier. Now it makes me proud that people come to me for advice”.

**Chompa Debnath,
shrimp farmer,
Bangladesh**

Project Grants

Focus on projects that:

- identify, develop or disseminate good practice
- are replicable
- include regional/global approaches
- are innovative, collaborative, inter-disciplinary

STDF's investment supports farmers, processors, traders and governments to meet international standards, protect health, and access global markets

Enhancing trade for coffee farmers in Papua New Guinea (STDF/PG/553)

Value: US\$1,13 M (730 K requested
+ 400 K form CIC)

- Food safety and quality management system for production and processing (control pests)
- National protocol for coffee production and processing (based on Codex)
- Peer group training (ToT) programme (1,500 smallholders)
- Barista training programme (local consumption, tourism)

The Standards and Trade Development Facility is a global partnership that supports developing countries in building their capacity to implement international sanitary and phytosanitary (SPS) standards, guidelines and recommendations as a means to improve their human, animal, and plant health status and ability to gain or maintain access to markets.

NEXT DEADLINE FOR SUBMISSION OF FUNDING PROPOSALS: 22 DECEMBER 2017

RECENT ACTIVITIES

Going paperless with SPS e-certification

A new STDF briefing note brings together key information and initiatives on paperless SPS systems.

Women in SPS capacity building

A new briefing note highlights STDF's work to help women farmers, processors and traders produce and export safe food and agricultural products.

Partnering with the private sector

A new briefing note highlights how STDF projects are building the private sector's capacity to implement SPS measures and take advantage of trade opportunities.

Enhancing national capacity to comply with SPS standards in LDCs

A joint Enhanced Integrated Framework (EIF) and STDF study analyses the coverage of SPS issues in Diagnostic Trade Integration Studies (DTIS).
