

Standards and Trade
Development Facility

Implementing international standards to facilitate safe trade: STDF's role and experiences

Simon Padilla
STDF Secretariat

Standards and Trade
Development Facility

Vision

Sustainable economic growth, poverty reduction, food security and environmental protection in developing countries

Goal

Increased capacity of developing countries to implement international standards and gain and maintain market access

Food and Agriculture
Organization of the
United Nations

WORLD BANK GROUP

World Health
Organization

WORLD ORGANISATION FOR ANIMAL HEALTH
Protecting animals, preserving our future

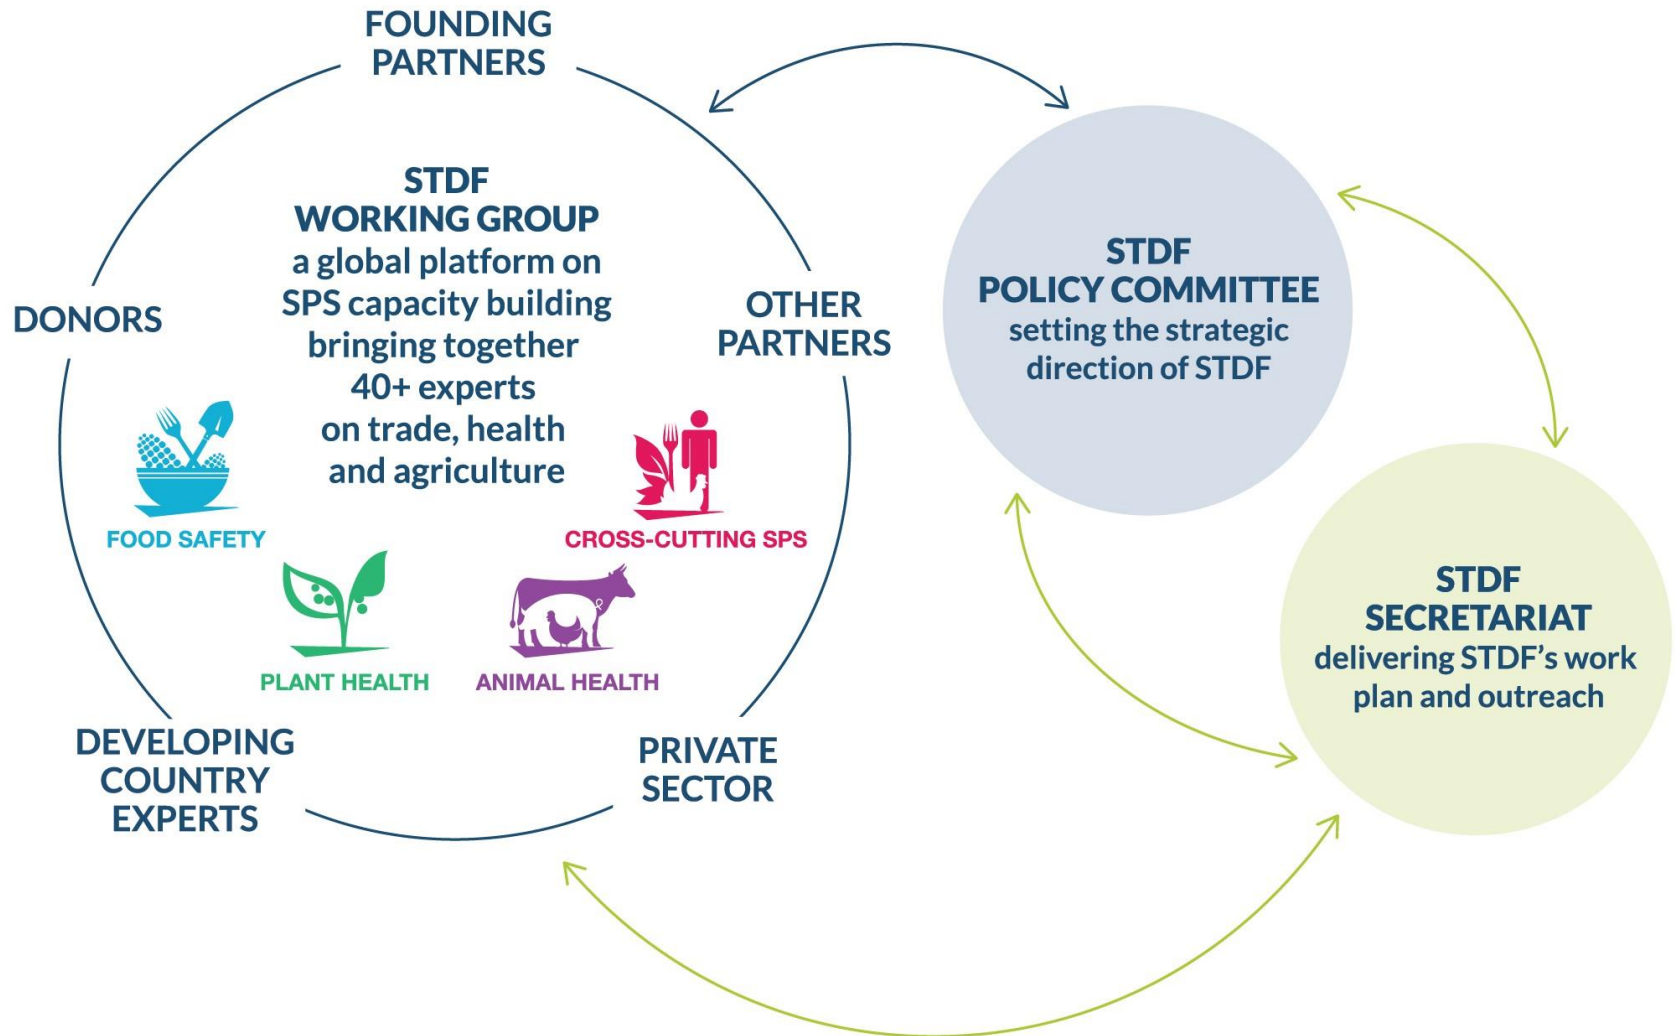

WORLD TRADE
ORGANIZATION

Implementation of WTO SPS Agreement

Right to protect
human, animal,
plant life or health

Obligation to avoid
unnecessary and
unjustified barriers
to trade

Standards and Trade
Development Facility

**Global coordination platform,
knowledge hub and network for
SPS capacity building**

**Funds for innovative, cross-
cutting SPS projects and
project development**

**DRIVING SAFE TRADE
SOLUTIONS WORLDWIDE**

Supporting farmers, processors and traders
in developing countries to access global markets

Project Preparation Grants

Seed funding (up to \$50,000)

- Develop SPS capacity building projects
- Apply capacity evaluation / prioritization tools
- Assess feasibility before project development
- Promote synergies with other initiatives and mobilize resources

“After joining this project I am getting profits every year. I don’t have to wait for long to sell out at the market because my shrimps are bigger and look healthier. Now it makes me proud that people come to me for advice”.

**Chompa Debnath,
shrimp farmer,
Bangladesh**

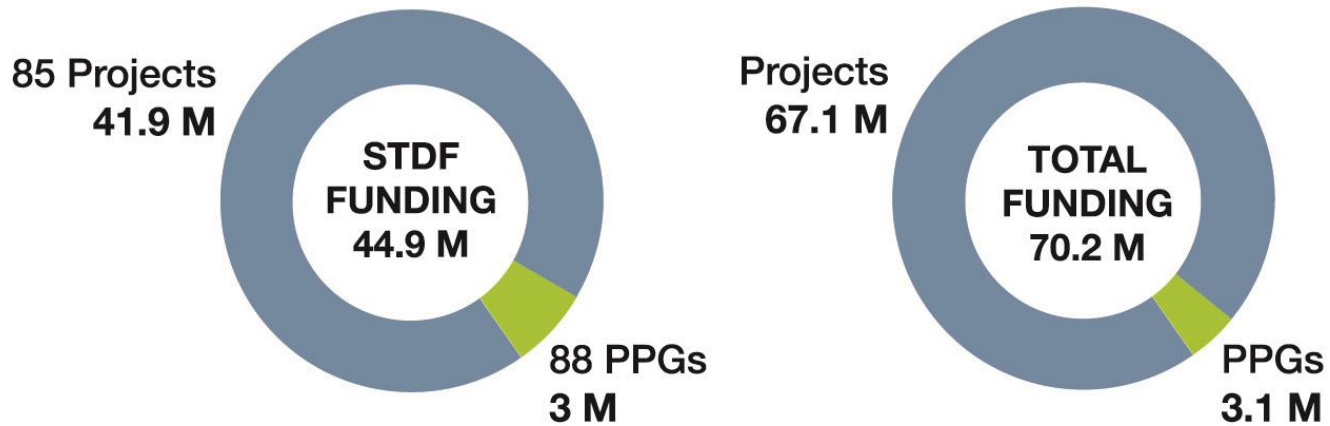

Focus on projects that:

- identify, develop or disseminate good practice
- are replicable
- include regional/global approaches
- are innovative, collaborative, inter-disciplinary

STDF mobilizes additional resources from governments, donors and the private sector to scale-up impact

STDF builds SPS capacity in developing countries

Projects/PPGs 2004-2017, US\$ millions

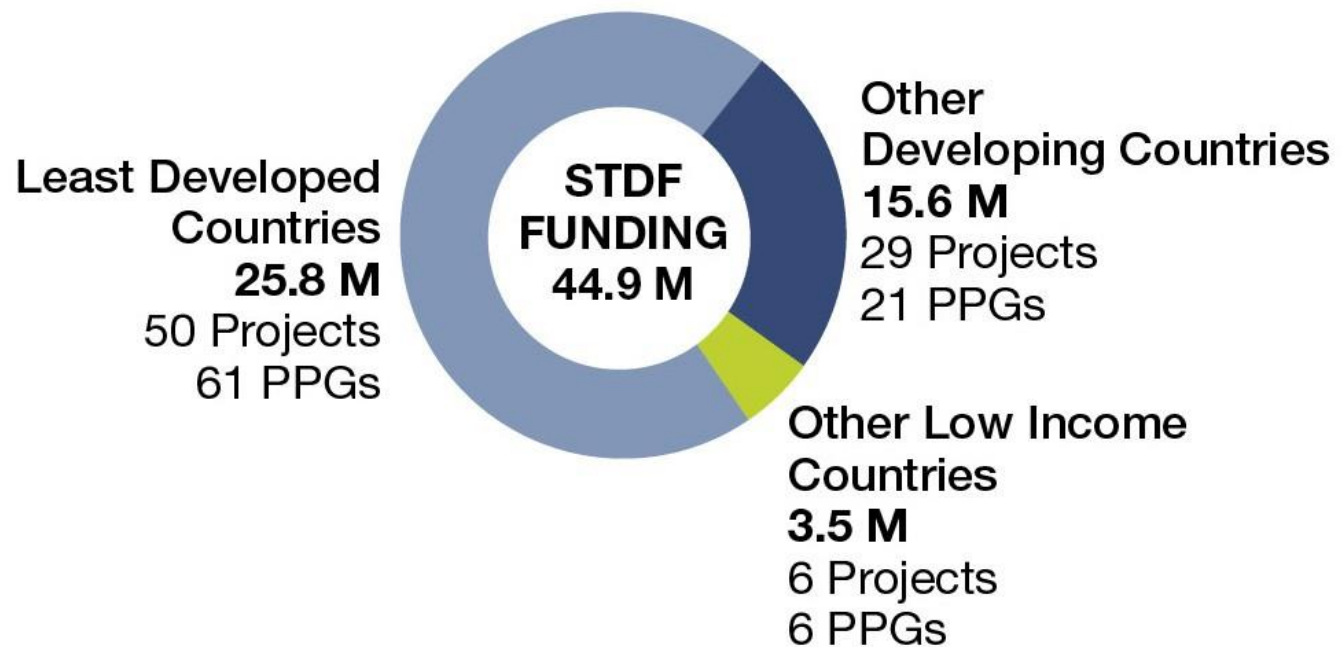

STDF's investment supports farmers, processors, traders and governments to meet international standards, protect health, and access global markets

STDF's support for LDCs

Projects/PPGs 2004-2017, US\$ millions

Enhancing trade for coffee farmers in Papua New Guinea (STDF/PG/553)

Value: US\$1,13 M (730 K requested
+ 400 K form CIC)

- Food safety and quality management system for production and processing (control pests)
- National protocol for coffee production and processing (based on Codex)
- Peer group training (ToT) programme (1,500 smallholders)
- Barista training programme (local consumption, tourism)

Standards and Trade
Development Facility

Supporting Africa, Latin America and Southeast Asia to meet pesticide standards for export

Public-private collaboration

New skills to generate and review pesticide residue data
10 new residue studies with data for 10+ new Codex MRLs

Coordinating action on aflatoxin control in Malawi

Shared vision with strategic,
multi-sectoral response

Identified investment needs &
leveraged resources

Improved collaboration across
agriculture, health and trade

Experiences and lessons taken
on board by PACA

YouTube

The Standards and Trade Development Facility is a global partnership that supports developing countries in building their capacity to implement international sanitary and phytosanitary (SPS) standards, guidelines and recommendations as a means to improve their human, animal, and plant health status and ability to gain or maintain access to markets.

NEXT DEADLINE FOR SUBMISSION OF FUNDING PROPOSALS: 22 DECEMBER 2017

RECENT ACTIVITIES

Going paperless with SPS e-certification

A new STDF briefing note brings together key information and initiatives on paperless SPS systems.

Women in SPS capacity building

A new briefing note highlights STDF's work to help women farmers, processors and traders produce and export safe food and agricultural products.

Partnering with the private sector

A new briefing note highlights how STDF projects are building the private sector's capacity to implement SPS measures and take advantage of trade opportunities.

Enhancing national capacity to comply with SPS standards in LDCs

A joint Enhanced Integrated Framework (EIF) and STDF study analyses the coverage of SPS issues in Diagnostic Trade Integration Studies (DTIS).
