

ICC 125-7

20 September 2019 Original: English

International Coffee Council 125th Session 23-27 September 2019 London, United Kingdom Admission of observers

Background

1. Rule 5 of the Rules of the Organization provides that, at the start of each Session, the Council shall decide on the acceptance of observers and designate the items on the Agenda of the Council and Committee meetings which shall be open to accepted observers¹. Meetings of the Finance and Administration Committee are only open to Members. The terms of reference for the Private Sector Consultative Board (PSCB) (Annex II of document <u>ICC-115-13</u>) provide that non-members, relevant organizations and experts in coffee matters may participate at meetings upon the invitation of the PSCB. Observers should therefore submit requests to attend PSCB meetings through its Chair.

2. In September 2018, the Council approved a list of observers to be admitted to Sessions in the following coffee year. A list of observers approved for admission who have confirmed their attendance at the 125th Session is attached as Annex I. Annex II contains the list of observers to be approved for admission in 2019/20 and Annex III contains copies of Articles 15 and 16 of the 2007 Agreement and Rule 5 of the Rules of the International Coffee Organization.

3. Additional observers wishing to attend meetings should have submitted requests for observer status in writing to the Organization (by 8 August 2019 in the case of the 125th Session from 23-27 September 2019).

4. It is suggested that items relating to finance and administration on the Council Agenda should be restricted to Members only at this Session.

Action

5. The Council is invited <u>to consider</u> and, if appropriate, <u>to approve</u> the admission of the observers contained in Annex I and the items and meetings that shall be open to them at the 125th Session and <u>to further consider and approve</u> observers who may be admitted to the Council Sessions in coffee year 2019/20 as contained in Annex II.

¹ Paragraph 5 of Rule 34 provides that the Rules of the ICO shall also apply to meetings of committees, other subsidiary bodies and advisory bodies.

INTERNATIONAL COFFEE AGREEMENT 2007

ARTICLE 15 Cooperation with other organizations

(1) The Council may make arrangements for consultation and cooperation with the United Nations and its specialized agencies; other appropriate intergovernmental organizations; and relevant international and regional organizations. It shall take full advantage of the facilities of the Common Fund for Commodities and other sources of funding. Such arrangements may include financial arrangements which the Council considers appropriate for achieving the objectives of this Agreement. However, in respect of the implementation of any project under such arrangements the Organization shall not incur any financial obligations for guarantees given by individual Members or other entities. No Member shall be responsible by reason of its membership of the Organization for any liability arising from borrowing or lending by any other Member or entity in connection with such projects.

(2) Where possible, the Organization may also collect from Members, non-members, and from donor and other agencies, information on development projects and programmes focussing on the coffee sector. Where appropriate, and with the agreement of the parties concerned, the Organization may make this information available to such other organizations as well as to Members.

ARTICLE 16 Cooperation with non-governmental organizations

In pursuing the objectives of this Agreement, the Organization may, without prejudice to the provisions of Articles 15, 29, 30 and 31, establish and strengthen cooperative activities with appropriate non-governmental organizations having expertise in relevant aspects of the coffee sector and with other experts in coffee matters.

RULES OF THE INTERNATIONAL COFFEE ORGANIZATION

RULE 5 Observers

1. Any organization referred to in Article 16 of the Agreement, including private sector coffee associations and bodies, may request observer status at a session of the Council, by submitting such a request in writing to the Executive Director at least 45 days prior to the session.

2. The written request shall indicate the Agenda items of interest. If necessary, the Executive Director will request any additional information needed by the Council in considering such requests. At least 30 days prior to the session, the Executive Director shall circulate to all Members the names of organizations requesting observer status, along with additional information and a proposal for Council action on each request.

3. Comments and/or possible objections by Members to the above requests shall be communicated in writing to the Executive Director at least 15 days prior to the session. At least 10 days prior to the session, the Executive Director shall distribute to all Members any comments on such requests and provide information to the interested applicants on this. At the start of each Session, the Council shall decide on acceptance of observers and designate the items on the Agenda of the Council open to accepted observers.

4. The Council may also invite organizations and individuals to attend Council Sessions to make presentations or to make a contribution on a specific topic to be considered by the Council. Observers shall have no voice in the proceedings of the Council, its committees and subsidiary bodies, except by invitation of the respective Chairmen.
