

Finance and Administration Committee
50th Meeting
30 September 2021
London, United Kingdom

**Initial distribution of votes in the Council
for coffee year 2021/22 in accordance with
the provisions of paragraph (6) of Article 12
of the International Coffee Agreement 2007**

(Calculated as at 22 September 2021)

Background

1. This document contains the initial distribution of votes in the Council for coffee year 2021/22, calculated in accordance with the relevant provisions of Article 12 of the 2007 Agreement.
2. In order to permit the Council to take a decision on the distribution of votes for each category of Member in coffee year 2021/22, it is necessary, in accordance with the provisions of paragraphs (3) and (4) of Article 12, to establish the average volume of exports of coffee to all destinations (exporting Members) and of imports of coffee from all sources (importing Members), over the preceding four calendar years from 2017 to 2020. The votes for exporting and importing Members have been calculated on the basis of the statistical data contained in document [ED-2378/21 Rev. 2](#).
3. The International Coffee Council, at its 130th Session decided to delegate responsibility to the Finance and Administration Committee to approve the initial distribution of votes for coffee year 2021/22.
4. This initial distribution of votes, as shown in Tables 1 and 2, is based on the membership of the Organization under the International Coffee Agreement 2007 as at 22 September 2021.
5. The redistribution of votes, as shown in Tables 3 and 4, is based on the provisions of [ICC Resolution 470](#), which temporarily suspends Members in persistent arrears.

Action

The Finance and Administration Committee is requested to approve this document.
