**7. Decaffeinated soluble coffee – *to note*** [SC-21/12](#)

The Statistician will introduce document SC-21/12 containing information on the trade of decaffeinated soluble coffee in the USA.

**8. Technical assistance – *to consider*** verbal

At the last meeting it was suggested that a DVD/video could be produced as a permanent manual on compliance for exporting Members. It was also suggested that the ICO could look into a standard system or methodology to be applied by all countries in the collection of data on costs of production, domestic consumption, area planted to coffee and number of trees in production. Members may wish to consider establishing a working group to develop this suggestion further. The Statistician will report on plans for future workshops on compliance with statistical data.
