Background

1. This document contains proposals for activities by the Organization for coffee year 2009/10. It has been prepared on the assumption that the 2007 Agreement will enter into force during the next coffee year. The activities are based on the strategic goals and actions in the draft strategic action plan for 2009-2014 (document WP-Council 173/08 Rev. 3), which will be considered by the Council at its 103rd Session in September 2009. The draft programme is subject to further revision in the light of changes to the strategic action plan.
2. Members are invited to make proposals for a seminar or workshop in 2009/10 (Activity 19).
3. An estimate of the costs of specific activities in 2009/10 is given in Annex I. These costs have been incorporated in the draft Administrative Budget for the financial year 2009/10 and do not represent expenditure over and above that contained in the budget proposals. Annex II contains a list of acronyms used in this document.
