Background

1. This document contains a number of suggested amendments to the Rules of the Organization which are normally reviewed in the context of a new International Coffee Agreement.

2. A comments section provides further information on the proposed changes and the suggested amendments are indicated as follows:

   - **Bold** indicates new wording proposed for inclusion in the Rules.
   - **Strikethrough** indicates text that could be deleted.
   - Text in grey indicates wording or numbering subject to consequential changes.

3. References to the Executive Board have been deleted throughout the Rules in the light of the new structure, and references to ‘Chairperson’ have been replaced by ‘Chairman’ in order to harmonize wording with the text of the International Coffee Agreement 2007. As suggested by the Finance Committee in May 2008, the Chapter on Finance has been included in the Financial Regulations and Financial Rules of the Organization.

4. Members are invited to send comments in writing on the revised draft Rules to the Executive Director by 30 January 2009, to enable contributions to be circulated well in advance of the 102nd Council Session at which this document will be considered.

**Action**

The Council is invited to consider these suggestions.

RULES OF THE INTERNATIONAL COFFEE ORGANIZATION

CHAPTER I — ACCREDITATION

RULE 1
Accreditation by Members countries

Credentials of the representative, alternates and advisers of Members shall be issued in writing by the competent authorities designated by the Member. of a Member country shall be issued in writing by a relevant Ministry or government agency of that country or by a representative of the Diplomatic Mission of the Member concerned either in the country where the seat of the Organization is located or with responsibility for representing the Ministry in that country, or where a session takes place.

Comments: This Rule has been reworded in the light of changes to the status of Members in the ICA 2007 and a reference to ‘designated’ has been included following discussions in May 2008.

RULE 2
Accreditation by Member groups

Credentials of the representative, alternates and advisers of a Member group shall be issued by the organization which represents the Member group or, if there is no such organization, by the Government which represents the Member group.

Comments: Following discussions in May 2008, this Rule has been retained.

RULE 3
Composition of delegations

1. Each Member shall, as early as possible after receiving notification of a session of the Council, inform the Executive Director in writing of the names of its representative, alternates and advisers. Such information should normally be received not later than 48 hours before the opening of the session. The names of the representative, alternates and advisers of a Member group shall similarly be communicated to the Executive Director. In the absence of any such notification, persons accredited to the preceding session shall be regarded as continuing in office.
2. Notes verbales may be accepted if they are from an authenticated source. In the case of the European Commission, a note verbale may be accepted if it is accompanied by a covering letter from a person officially designated to represent the European Commission at the Organization, or the head of the European Commission office in London.

Comments: The last sentences of paragraphs (1) and (2) have been deleted in view of the need to receive up-to-date credentials and changes to the status of the EC, respectively. In view of the decision to keep Rule 2 (Accreditation by Member groups), the third sentence of paragraph (1) has been retained.

Rule 4
Designations to the Executive Board

Each Member elected to the Executive Board shall, as early as possible after the election is held, inform the Executive Director, in writing, of the name of its representative on the Executive Board and of the name of any alternates or advisers to its representative or alternates. The Executive Director shall be notified immediately of any change in the list of persons so designated.

Comments: This Rule is no longer necessary in view of the deletion of the Executive Board.

Rule 5
Credentials

The Chairman, with the assistance of the Secretariat, shall examine the credentials submitted by Members and report to the Council. If the Chairman so requests the Council shall appoint a Credentials Committee to assist with this task.

Rule 6
Observers

A) The Council may invite any non-member country, or any of the organizations or experts in coffee matters referred to in Articles 15 and 16 of the International Coffee Agreement (ICA) 2007 to attend a particular session or sessions of the Council as observers. The United Nations, its specialized agencies, any appropriate intergovernmental organization, any Government of a State which is a member of the United Nations or of any of its specialized agencies, or any organization concerned with coffee to send observers to
Council sessions. The Council may maintain a list of observers to whom such invitations may be made on a regular basis. Any non-member country or organization referred to in Articles 15 or 16 may also request observer status at a particular session or sessions of the Council by submitting a request in writing to the Executive Director at least 14 days before the session, including confirmation of its status and the [Agenda items] topics of interest to it. At each session, the Secretariat shall submit to the Council for decision a list of observers who have accepted the Council’s invitation to attend, and requests for observer status. The Council shall establish which Agenda items or sessions shall be open to each observer. The [Council] [Executive Director, in consultation with the Chairman] may also invite organizations or individuals to make presentations or contributions on a specific topic to be considered by the Council. Observers shall have no voice in the proceedings of the Council except by invitation of the Council. They may upon invitation from the Chairperson of the Executive Board or the Chairperson of a working group of the Council attend particular meetings of the Executive Board or working group.

B) [The Council may create and maintain a list of non-members and organizations referred to in Article 15 or 16, including private sector coffee associations and bodies, who will be invited to attend Council sessions as observers on a regular basis. This list will comprise those non-member countries and organizations that have previously attended Council sessions and the participation of whom on an ongoing basis is likely to make a meaningful contribution to Council deliberations. Any non-member country or any organization referred to in Article 15 or 16, including private sector coffee associations and bodies, may also request observer status at sessions of the Council by submitting such a request in writing to the Executive Director. At each session, the Secretariat shall submit to the Council for its approval a list of organizations that have submitted a request to attend a session as an observer. The Council may also invite organizations and individuals to attend Council sessions to make presentations or to make a contribution on a specific topic to be considered by the Council. Observers shall have no voice in the proceedings of the Council except by invitation of the Council.]

C) [1. The Council may invite any non-member country, or any of the organizations or experts in coffee matters referred to in Articles 15 and 16 of the Agreement (ICA) 2007 [, including private sector coffee associations and bodies,] to attend a particular session of the Council as observers. [The Council may maintain a list of observers to whom such invitations may be made on a regular basis.]

2. Any [non-member country or] organization referred to in Articles 15 and 16 may also request observer status at a particular session of the Council by submitting a request in writing to the Executive Director at least [14] [21] days before the session,
including confirmation of its status and the Agenda items of interest to it. The request for participation as an observer shall include a detailed explanation of the expertise of the observer in relation to the Agenda items indicated. Upon receipt of such requests, the Executive Director shall immediately inform Members, giving them sufficient time to examine such requests. The Council shall establish which Agenda items or session shall be open to each observer.

3. Observers shall have no voice in the proceedings of the Council except by invitation of the Council.

**Comments:** The wording of the first sentence in version (A) has been harmonized with wording in paragraph (3) of Article 11 (Sessions of the Council) of the 2007 Agreement. Two Members have proposed alternative wording shown in versions (B) and (C) above (see documents WP-Council 177/08 and WD-Council 2/08). Preliminary discussions took place on the latter proposal during the meetings in September 2008. It was suggested that it would be useful to refer to private sector associations in the Rule, that organizations should be dealt with separately from non-member countries, and that 14 days might not be sufficient time. The need for organizations to know whether or not their application would be accepted before making arrangements to travel to the meetings, and whether they would need to make an application at every session was raised.

**RULE 7**

**Seating of Member groups**

Member groups shall be allocated at the table as many seats, located together, as there are participating countries within the group. If there is an organization representing the group, an additional seat shall be provided. Except as provided for in paragraph (3) of Article 6 of the Agreement, each Member group shall have only one spokesperson, who may relinquish the right to speak to any alternate who will thus become spokesperson for the Member group.

**Comments:** Following discussions in May 2008, this Rule has been retained.
RULE 8

Reception of communications

1. Each Member and Member group shall inform the Executive Director in the manner set forth in Rules 1 and 2 of the name, and address and email address of the designated person, resident at the seat of the Organization or at such other place as may be decided, to whom all notices and other communications should be sent except as provided for in Rule 40. Any notice or communication forwarded to the person so designated shall be deemed to have been delivered to the Member concerned. Each Member shall also inform the Executive Director of the name of the person to whom matters concerning statistics should be addressed, who may be the same or different from that of the designated person. The Executive Director shall be notified in writing immediately if there is any change in the list of designated persons so designated.

2. Any notification made under this Rule to the persons designated by the Government or organization which represents a Member group shall be deemed to have been transmitted to all participants of the Member group.

Comments: In view of the increasing use of electronic communication, a reference to email has been included. In the light of the decision to retain Rules 2 and 7, a reference to ‘Member group’ has been included in paragraph 1. In September 2008, the Council considered two options for the wording of the first sentence of paragraph (1) and decided to retain the original wording.

RULE 9

Distribution of documents

Members shall receive documents electronically at an address designated by the competent authorities, or, where this facility is not available, by post at their official mission in London or otherwise reimburse the Organization for the postage costs incurred in mailing documents to addresses outside the United Kingdom, or at a designated address in the case of except those Members who do not have an official mission in London. Members may receive documents electronically (such as by email) by requesting this service from the Executive Director.

Comments: In view of the widespread use of electronic communication, the ICO no longer charges Members for the postage costs involved in mailing documents to them. A reference to the competent authority has been included to harmonize the wording of this Rule with new wording in Rule 1.
CHAPTER II — THE CHAIRMAN AND THE VICE-CHAIRMAN OF THE COUNCIL

Rule 10
Election Designation

At the last regular session held in each coffee year the Council shall elect designate a Chairman, a first, a second and a third Vice-Chairman for the following coffee year. The term of office shall be for the duration of the subsequent coffee year. However, the Chairman or Acting Chairman shall remain in office until his/her successor assumes office.

Comments: This Rule has been updated to reflect the fact that there is now only a Chairman and a Vice-Chairman of the Council (Article 10: Chairman and Vice-Chairman of the Council).

Rule 11
Nominations

When the Chairperson and the first Vice-Chairperson are to be elected from among the representatives of importing Members, nominations shall be made by the importing Members and when the Chairperson and the first Vice-Chairperson are to be elected from among the representatives of the exporting Members, nominations shall be made by the exporting Members. A similar procedure shall be applied for the election of the second and third Vice-Chairpersons.

In accordance with paragraph (2) of Article 10 of the Agreement, nominations for the positions of Chairman and Vice-Chairman of the Council shall be made by the category of Member that will hold these posts in the coffee year concerned.

Comments: This Rule has been updated to reflect the fact that there is now only a Chairman and a Vice-Chairman of the Council (Article 10: Chairman and Vice-Chairman of the Council), and to include wording proposed by one Member (see document WP-Council 177/08).
RULE 12
Absence

1. If the Chairman of the Council is absent from a meeting or any part thereof, his/her place shall be taken by one of the Vice-Chairman in the order established by the Council at the time of their election. A Vice-Chairman acting as Chairman shall have the same powers and duties as the Chairman.

2. In the temporary absence of both the Chairman and the three Vice-Chairman or the permanent absence of one or more both of them, the Council, which shall be temporarily presided over by the Executive Director, may elect new officers from among the representatives of the exporting Members or from among the representatives of the importing Members, as appropriate, on a temporary or permanent basis as may be required.

Comments: This Rule has been updated to reflect the fact that there is now only a Chairman and a Vice-Chairman of the Council (Article 10: Chairman and Vice-Chairman of the Council).
CHAPTER III — SESSIONS OF THE COUNCIL

RULE 13
Convocation

1. The Executive Director, on behalf of the Chairman of the Council, shall send to each person designated under Rule 8 a written notification of the date of the session of the Council together with the draft Agenda. [Such notification shall be sent at least 30 days in advance, except in cases of emergency when, at the discretion of the Chairman, a special session may be convened at least 10 days in advance.]

2. Notification of a special session shall be accompanied by a statement of the reasons for calling the session, together with the draft Agenda.

Comments: In September 2008, it was suggested that the second sentence of paragraph (1) was not necessary as provision for notification is included in paragraph (1) of Article 11 of the ICA 2007.

RULE 14
Agenda

The draft Agenda for regular sessions of the Council shall normally be prepared by the Executive Director on behalf of the Chairman. The draft Agenda for a special session of the Council shall consist of the item or items specified in the request for the special session, to which may be added those items which, in the judgment of the Executive Board, the Executive Director and subject to the approval of the Chairman of the Council, could profitably be discussed during the special session. At the request of any Member, the Executive Director may include on the draft Agenda any item connected with the Agreement. The draft Agenda and any additions thereto shall be approved by the Council.

Comments: In September 2008, it was suggested that the second sentence of this Rule should include provision for the Chairman to approve additional Agenda items proposed by the Executive Director.
RULE 15

Quorum

The Executive Director, at each meeting of a session of the Council, shall advise the Chairman whether the quorum prescribed in paragraph (4) of Article 12 of the Agreement is present and which Members are authorized to represent which other Members under the provisions of paragraph (2) of Article 14 of the Agreement.

RULE 16

Powers and duties of the Chairman during meetings

1. The Chairman, in addition to exercising the powers conferred upon him/her elsewhere in these Rules, shall:

   (a) announce whether or not a quorum to take decisions is present;
   (b) declare the opening and closing of each meeting;
   (c) direct the discussions at such meetings;
   (d) ensure observance of these Rules;
   (e) grant the right to speak;
   (f) put questions for decision by the Council in accordance with the provisions of Article 14 of the Agreement to the vote; and
   (g) announce decisions.

2. The Chairman may, in the course of the discussion, propose a limit on the time to be allowed to speakers and on the number of times each representative may speak on any question, the closure of the list of speakers, or the closure of the debate. He/she may, however, give the right of reply to any representative if a speech delivered after the list has been declared closed makes this advisable. The Chairman may also propose the suspension or the adjournment of the meeting or the adjournment of the debate on the particular subject or question under discussion.

Comments: Following the suggestion in May 2008 that wording in sub-paragraph (f) should indicate that decisions could be taken by consensus or by vote, a reference to Article 14 has been included.
RULE 17

Other prerogatives of the Chairman

The Chairman of the Council may attend any meeting of the Executive Board and of any body established under Articles 6 and 9 of the Agreement (hereinafter referred to as an International Coffee Organization (ICO) body) committee or working group of the Council or of the Executive Board and take part in their proceedings without vote.

Comments: This Rule has been updated to reflect the new ICO structure.

RULE 18

Permission to speak

1. No person may address the Council without having previously obtained the permission of the Chairman. The Chairman may call speakers to order if their remarks are not relevant to the subject under discussion.

2. The Chairmen and the Secretaries of ICO bodies the Executive Board and of committees or working groups of the Council may be given permission to speak before other representatives for the purpose of explaining the conclusions arrived at by the Executive Board or by such bodies committees or working groups. The Executive Director may also be given permission to speak for the purpose of clarifying any matter.

Comments: This Rule has been updated to reflect the new ICO structure.

RULE 19

Adjournment of the debate

Any representative may move the adjournment of the debate on the particular subject under discussion. In addition to the proposer of the motion, two representatives may speak in favour and two against, after which the motion shall immediately be put to the Council for decision in accordance with the provisions of Article 14 of the Agreement to the vote. The Chairman may limit the time to be allowed to speakers under this Rule.

Comments: Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.
RULE 20
Closure of the debate

Any representative may move the closure of the debate on the particular subject under discussion. Permission to speak on the closure of the debate shall be granted only to the proposer of the closure and to two speakers opposing the closure, after which the motion shall immediately be put to the Council for decision in accordance with the provisions of Article 14 of the Agreement to the vote. The Chairman may limit the time to be allowed to speakers under this Rule.

Comments: Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

RULE 21
Suspension or adjournment of a meeting

During the discussion of any matter a representative may move the suspension or the adjournment of the meeting. Such motions shall not be debated but shall be immediately put to the Council for decision in accordance with the provisions of Article 14 of the Agreement to the vote.

Comments: Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

RULE 22
Order of priority for motions of procedure

Motions for suspension or adjournment of the meeting, adjournment or closure of the debate and other motions of procedure shall take priority, in the order specified in this Rule, over any other motions or proposals.

RULE 23
Motions and amendments thereto

Motions and amendments thereto other than motions of procedure shall normally be introduced in writing and handed to the Executive Director, who shall circulate copies to delegations. As a general rule no motion shall be discussed or put to the Council for
decision in accordance with the provisions of Article 14 of the Agreement to the vote at any meeting of the Council unless copies of it have been circulated to all delegations not later than the day preceding the meeting. The Chairman may, however, permit the discussion and consideration of motions or amendments thereto even though these motions or amendments have not been circulated or have been circulated only on the same day.

**Comments:** Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

**RULE 24**

**Decisions on the competence of the Council**

Any motion calling for a decision as to the competence of the Council to adopt any other motion submitted to it shall be put to the Council for decision in accordance with the provisions of Article 14 of the Agreement before a vote is taken on the original motion.

**Comments:** Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

**RULE 25**

**Withdrawal of a motion**

A motion may be withdrawn by its proposer at any time before the process of taking a decision on it in accordance with the provisions of Article 14 of the Agreement has commenced. A motion which has been withdrawn may be reintroduced by any representative.

**Comments:** Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.
RULE 26
Reconsideration of a decision

When a decision has been taken it may not be reconsidered unless the Council, by the same majority which was necessary for the adoption of the original decision, so decides. Permission to speak on the motion of reconsideration shall be granted only to the proposer of the motion to reconsider and to two speakers opposing the motion after which it shall be immediately put to the Council for decision.

Comments: Wording for this paragraph has been harmonized with changes in procedures for taking of decisions by the Council (Article 14: Decisions of the Council).

RULE 27
Point of order

During the discussion of any matter a representative may raise a point of order which shall immediately be decided by the Chairman. A representative may appeal against any ruling of the Chairman. The appeal shall immediately be put to the Council for decision in accordance with the provisions of Article 14 of the Agreement to the vote and the Chairman's ruling shall stand unless overruled by the Council. A representative rising to a point of order may not speak on the substance of the matter under discussion.

Comments: Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

RULE 28
Representation for voting

A Member may authorize or withdraw the authorization it has given any other Member to represent its interest and to exercise its right to vote at any meeting or meetings of the Council by giving the Executive Director a written statement to that effect issued by one of the agencies or organizations by the authorities empowered to accredit under the provisions of Rule 1 or 2 or by the representative of the Member duly accredited to the Council session concerned. The Executive Director shall notify the Council of these statements and indicate the extent of authorization or withdrawal. A Member who authorizes another Member to represent its interests and exercise its right to vote under paragraph (2) of Article 13 shall submit such notification of authorization, or withdrawal of such authorization in writing to the Executive Director, who shall notify
the Council of these statements. Any such notification shall be issued by the competent authorities of the Member. The Executive Director shall also maintain a file of all such statements which shall be open for inspection by any representative. Statements shall be deemed to be in order unless the Executive Director or any representative questions them. Any question so raised shall be submitted to the Executive Board for a recommendation to the Council for decision in accordance with the provisions of Article 14 of the Agreement concerning the action to be taken.

**Comments:** The first two sentences of this Rule have been revised to reflect a proposal by one Member (see document WP-Council 177/08). Wording for the last sentence of this paragraph has been harmonized with sub-paragraph (f) of Rule 16.

**RULE 29**

**Voting** Deciding on motions

If two or more motions relate to the same question, the Council shall, unless it decides otherwise, vote decide on the motions in the order in which they have been submitted. The Council may after voting on a motion decide whether to vote on the next motion.

**RULE 30**

**Amendment to a motion**

A motion is considered to be an amendment to an original motion if it adds to, deletes from, or changes part of, that motion. When an amendment to a motion is moved, the amendment shall be voted on first. When two or more amendments to a motion are moved, the Council shall vote first on the amendment furthest removed in substance from the original motion and then on the amendment next furthest removed therefrom and so on, until all the amendments have been voted on. However, when the adoption of one amendment necessarily implies the rejection of another amendment, the latter amendment shall not be put to the Council for decision in accordance with the provisions of Article 14 of the Agreement the vote.

**Comments:** Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16.
RULE 31

**Voting Deciding on parts of a motion or of an amendment thereto**

Parts of a motion or of an amendment thereto may be decided voted on separately at the request of a Member. However, if an objection is made to the request for division, the objection shall be voted on. Permission to speak on the objection shall be granted only to two speakers in favour, including the proposer of the original motion, and two speakers against. If the objection is not supported by a two-thirds distributed majority, the original motion or amendment thereto shall then be decided voted on separately. Those parts of the original motion or the amendment thereto which may be subsequently approved shall then be put to the Council to the vote for decision in accordance with the provisions of Article 14 of the Agreement as a whole. If all the operative parts of an original motion or an amendment thereto have been rejected, the original motion or amendment thereto shall be considered to have been rejected as a whole.

| Comments: Wording for this paragraph has been harmonized with sub-paragraph (f) of Rule 16. |

RULE 32

**Voting**

Voting shall normally be by roll-call from the list of exporting and importing Members in the English alphabetical order, beginning with the name of a Member selected at random by the Chairman. The result of each vote, including affirmative and negative votes and abstentions, shall be announced. However, for the purpose of recording how many votes have been cast only affirmative and negative votes shall be counted.

RULE 33

**Conduct during voting**

After the Chairman has announced the beginning of the vote, no representative shall interrupt the vote except on a point of order in connection with the actual conduct of voting. The Chairman may permit representatives to explain their votes. The Chairman may limit the time to be allowed for such explanations.
1. Whenever a redistribution of votes is required under the provisions of paragraph (6)-(7) of Article 12 of the Agreement, the Executive Director shall prepare a document showing the redistribution of votes for Members of the Council, and consequently for Members of the Executive Board, which shall be presented to the Executive Board for approval at its next meeting. All votes cast thereafter in the Executive Board and in the Council shall be on the basis of the redistribution of votes approved by the Council.

2. However, when voting is required under the provisions of Rule 39, Members whose voting rights have been suspended under the provisions of Article 25 of the Agreement may cast their votes if their votes have been restored under the provisions of paragraph (2) of that Article. In such a case the Executive Director shall prepare a document showing the redistribution of votes for Members of the Council which shall be circulated to Members as part of the communication referred to in Rule 40, without the need for prior approval by the Executive Board. Members whose voting rights are restored after the date of this communication shall not be entitled to vote on the matter at issue.

**RULE 35 – UNAMENDED**

Committees and working groups of the Council

1. In accordance with the provisions of paragraph (3) of Article 9 of the Agreement, the Council may appoint such committees and working groups as it considers necessary. Committees and working groups shall normally be fairly representative of both exporting and importing Members unless otherwise specified by the Council; they shall establish their own procedures but in the case of working groups they shall not take a vote. Membership of committees and working groups of the International Coffee Council shall not necessarily be restricted to Members of the International Coffee Council. Any application for accession to the Agreement under the provisions of Article 46 of the Agreement shall be communicated immediately by the Executive Director to all Members and referred by him/her to the Executive Board to the Council for a recommendation decision on the conditions of accession to be agreed upon with the Government of the State member of the United Nations or intergovernmental organization described in paragraph (3) of Article 4 of the Agreement. The recommendation decision of the Executive Board Council shall be circulated to all Members.

Comments: One Member questions the need for this Rule in the light of Article 43 which states that the Council shall establish procedures for accession. It considers that the reference to the recommendation of the Council is confusing, and the Rule does not cover the EC and other intergovernmental organizations referred to in Article 43 (see document WP-Council 177/08). In discussions in September 2008, concern was expressed that this Rule could imply that countries would have to comply with specific conditions in addition to the provisions of the Agreement. The point was made that conditions might be needed in cases such as countries which were in arrears with their contributions. The reference to procedures in Article 43 of the ICA 2007 related to this Rule. It was suggested that procedures could be established through a Resolution rather than a Rule. Further consultations are needed on this Rule.

Such State member of the United Nations or intergovernmental organization described in paragraph (3) of Article 4 of the Agreement shall, pending the deposit of its instrument of accession, have the status of observer in the Council.

Comments: One Member notes that this Rule introduces the provision that an entity awaiting accession shall have the status of observer, and questions whether the Rule is necessary as provisions on observers (Rule 6) are sufficiently flexible (see document WP-Council 177/08). Further consultations are needed on this Rule.
CHAPTER X VIII — AMENDMENT OF THE RULES

RULE 72
Voting on Amendments

The Rules of the Organization shall normally be amended by decision of the Council in accordance with the provisions of Article 14 of the Agreement. If a vote is necessary, it shall require a distributed two-thirds majority vote of the Members present at a session of the Council. Proposed amendments shall be circulated by the Executive Director to all Members at least two months in advance of the session.

Comments: The reference to voting has been deleted as provision for taking a decision is included in Article 14 (Decisions of the Council).

RULE 73

RULE 74
