Vavilov Institute

Improve living conditions of
small producers of *gourmet*
quality coffee in rural areas
and communities, reducing
their socioeconomic and
cultural vulnerability and
increasing sustainability of
their crops

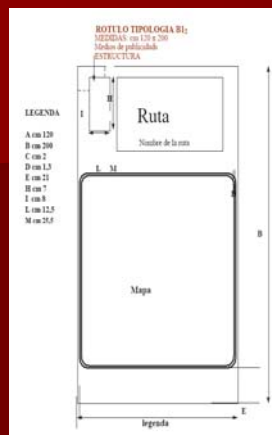

**PROMOTING TOURISM AS A LOCAL STRATEGY
 FOR INITIATING OR DEVELOPING REGIONAL
 GROWTH AND LOCAL COMPETITIVITY**

**Diversification of production
 and attention to ecological
 issues**

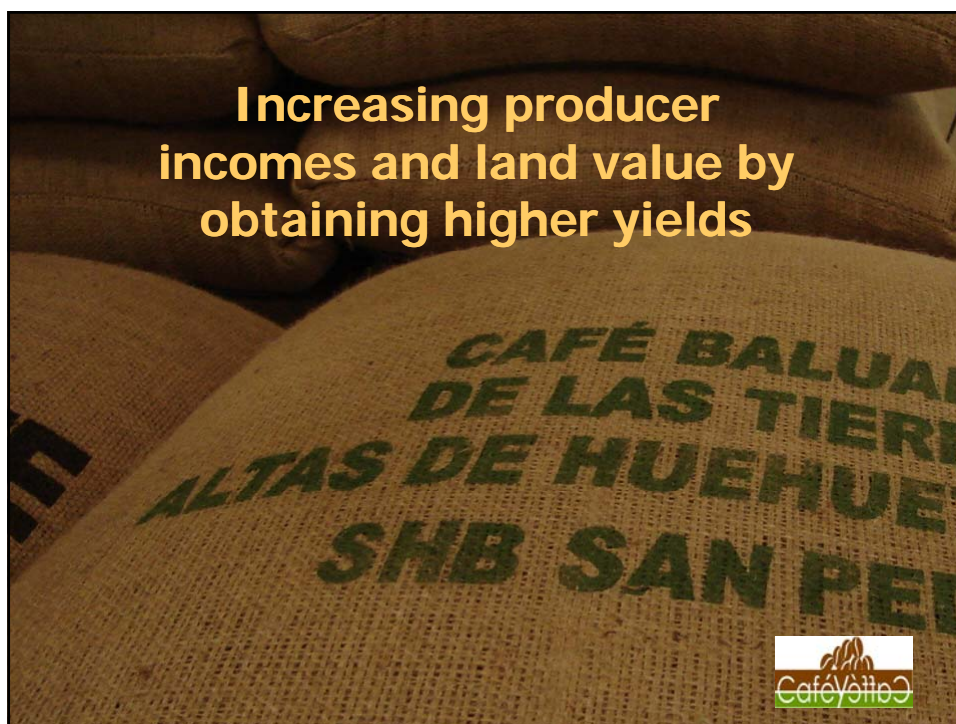

**New technologies for
 recycling and alternative
 uses for coffee residues and
 sub-products in an
 environmentally friendly
 manner**
